2027 · Breakfast

**Waited 30+ minutes for breakfast (biscuits & gravy). The food was great — it was the wait.**

He rated breakfast Excellent anyway, so the score hides it — but a returning guest will notice if it repeats. Flag the kitchen to expedite his table.

2027 · Lunch

**Would like hot soup and the saltwater-boat sandwiches on his river-fishing days.**

A specific, easy request. Pre-stock it for his river days next season and it becomes a delight, not a complaint.
